

# A-SPARK Winter 2020 Enrollment Form

Child's Name \_\_\_\_\_

Grade \_\_\_\_\_

Emergency Contact Name \_\_\_\_\_

Phone \_\_\_\_\_

**Courses Selected** - Fill in name(s) of class(es) on the appropriate line(s) below.

Mon. \_\_\_\_\_ Tues. \_\_\_\_\_

Wed. \_\_\_\_\_ Thurs. \_\_\_\_\_

Friday \_\_\_\_\_

**A-S PARK CLASS:** \$260 | **YEARBOOK:** \$50 | **CLUB:** \$100

*\*Clubs will run the whole year unless specified by the teacher\**

**TOTAL:** \_\_\_\_\_

Signature of Parent or Guardian \_\_\_\_\_

Email address of Parent or Guardian \_\_\_\_\_

Please Note: Students are not officially enrolled until payment is received.

**Enroll NOW!**

**Classes Start January 21st unless otherwise noted.**

Office Only: Amt. Rec'd \_\_\_\_\_ Check # \_\_\_\_\_ Initials \_\_\_\_\_

## Winter ASPARK 2020

Dynamic Enrichment Opportunities in

- Technology
- Engineering
- Arts
- Science

January 21st through March 20th

**Monday:**

*Grade 3 through 5*

**Math Olympiad Club**

Does your child want a little more excitement and challenge from Mathematics other than his/her school course work? Join us in this class with other students who have the same interest. This course is designed for 3rd to 5th graders who are seeking for some math fun by practicing their “math muscle/brain”.

*Grade 6 and Up*

**Yearbook Club**

The Yearbook Club meets throughout the school year to create the AHS Yearbook which is distributed to students at the end of the year. Students meet to decide page layout formats, photographs to be used etc.

**Tuesday:**

*1st—5th Grade*

**Good Morning Show Prep**

This SPARK will provide support to students in researching, writing, and adding creativity to their presentations. It will guide them to break down GMS into manageable sections. Please understand they will still need to do some work at home, but they will be guided on what to do.

\*This class is limited to **five** students.

*4th - 8th Grade*

**Literary Magazine**

Come create the first editions of the newly reimagined Snowy Owl Literary Magazine. Together we will explore multiple literary genres as we create our own pieces to share with the Academy Hill community. You might write original poetry, a literary critique of your favorite book series, or perhaps a short story. You might even sketch the start of a new graphic novel! Our goal will be to publish two editions of the "magazine" this year.

**Wednesday:**

*Kindergarten and Up*

**LaughCrafters: Making A Scene**

LaughCrafters: Making A Scene- Phantom Sheep Productions returns by popular demand! Using theater games and exercises to encourage collaborative play and creative confidence, this continuation of the fall “Act up!” improv session will challenge students to create scenes and characters spontaneously together as a team. Open to previous participants as well as new students interested in joining the fun.

*3rd Grade and Up*

**Cooking**

Students will have fun in the kitchen as they learn to cook and bake different meals and desserts. All classes are hands-on, with lots of personal instruction. The focus will be on kitchen safety and organization as we introduce new flavors and encourage experimentation with recipes. We eat what we make or bring it home.

**Thursday:**

*Grade 6 and Up*

**Math Counts Club**

The Math Counts Competition Program provides the extra incentive and the perfect atmosphere for students to push themselves to achieve at higher levels in mathematics. Consisting of fun and creative problems that promote critical-thinking and problem-solving skills, the MATHCOUNTS competitions have written and oral rounds, as well as individual and team components.

**Friday:**

*Kindergarten and Up*

**Chess**

Learning and playing chess provides a host of benefits including improved memory, problem-solving skills, an enhanced ability to think ahead, and potential performance improvement in math and science. Our goal is to ensure that all of our students improve at chess, gain valuable life skills and, most importantly, have fun.
