Spring A-SPARK 2020

Dynamic Enrichment Opportunities in

- Technology
- Engineering
- Arts
- Science

March 30th through May 29th

Tuesday:

1st—5th Grade

Good Morning Show Prep

This SPARK will provide support to students in researching, writing, and adding creativity to their presentations. It will guide them to break down GMS into manageable sections. Please understand they will still need to do some work at home, but they will be guided on what to do.

*This class is limited to five students.

2nd & Up:

Le Français...c'est le fun!

Join Madame James for a fun hour of French language and culture. Activities will include songs, movement, role-play, drawing, writing and reading. Students will be immersed in basic conversations and greetings in French. Additional themes and topics will be determined based on the language experience and interests of the participants. Both continuing and new learners of French are welcome! Venez tous!

Wednesday:

Kindergarten and Up

Puppetry

Get hands on experience with different types and styles of puppetry including hand, rod, and marionettes. Throughout the course, kids will also get to design their own puppet including how to create its personality and story as they bring their fun characters to life.

This class runs for 8 weeks. There will be an additional \$10 materials fee

Thursday:

4th Grade and Up

Flag Football

Flag Football is returning to AHS! If you love flag football, then this after-school activity is what you've been waiting for. Sign up now and have fun playing this incredible team sport with your friends!

Friday:

Kindergarten and Up

Chess

Learning and playing chess provides a host of benefits including improved memory, problem-solving skills, an enhanced ability to think ahead, and potential performance improvement in math and science. Our goal is to ensure that all of our students improve at chess, gain valuable life skills and, most importantly, have fun.
