## SPARK\*EL Summer 2020

**Starting June 8th**

# SPARK\*EL

This is a unique enrichment program for the early childhood set: Pre-K and Kindergarten! Each week features a different subject, including a variety of big ideas for little people. We focus on imagination, exploration, cooperation, and sharing, while enjoying lots of playtime!

## June 8-12 Week 1: *Science and Investigation*

Explore the human body and the five senses, the natural world, and outer space. Through outdoor play and hands-on experiments, we will examine the world around us.

## June 15-19 Week 2: *Engineering and Simple Machines*

Early Learners will engage in both individual and group engineering projects. Children will learn about and solve problems with simple machines.

## June 22-26 Week 3: *Art and Drama*

Painting, beading, self-portraits, illustrations, puppeteers, art studies and cartooning are some of the week's activities.

**\*NOTE:** *Children must be able to fully toilet themselves.*

# Daily Schedule

## ☀ Drop off & Pick up

☀ **Morning:** 8:45-9:00 a.m.

☀ **Afternoon:** 4:00-4:15 p.m.

☀ **Morning courses:** 9:00 a.m.-12:00 p.m.

☀ **Lunch:** 12:00-1:00 p.m., includes supervised free time.

☀ **Afternoon courses:** 1:00-4:00 p.m.

☀ **Before Care Drop off:** between 8:00 a.m. and 8:45 a.m.
