

Discoverers Class 2020-2021

Dear Parents and Students,

Before entering your journey into first grade, the students will have some light work to do over the summer to prepare them for first grade. The BINGO board attached to this letter is for your child to try to get a BINGO by completing the tasks listed on it. This year for our summer reading assignment, each student will be involved in a reading and writing challenge. It is a great way for students to expand into different genres and keep up the skills they have worked so hard on this year. The most important thing is to make reading and writing fun! If you have any questions, feel free to email me at abates@academyhill.org

Mrs. Grenier is very excited to have all of the kiddos join her in the fall! This summer work should be fun and enjoyable for you all. I hope you all have a great summer!

Best,
Mrs. Gauthier
