

Dear Friends:

Last year, in the midst of a global pandemic, the Academy Hill Family came together to overcome obstacles and defeat challenges on our way to another successful year - despite the adversity we faced. We exceeded our development goal thanks to the generosity of donors like you. Your gift helps us sustain the exceptional academic programming we embrace at AHS as we prepare to celebrate 35 years of creating the visionaries, innovators and leaders of tomorrow. At Academy Hill, we support instructional practices that encourage our students' creativity, promote natural inquiry, and foster authentic ways for our children to demonstrate what they know and are able to do. Gifts to the Annual Fund are critical to the mission of our school. Your gift directly contributes to a student's experience at AHS. Your support ensures that we continue to offer a safe environment, unique classroom experiences and access to instructional technology.

It is our hope that you are able to join 100% of the Academy Hill faculty and staff by contributing to the Annual Fund today. The contributions of 100% of the faculty and staff are perhaps the most perfect testimonials we can offer. Your children's teachers have demonstrated through their own donations that they are committed to the continued success of the school and the fulfillment of our mission.

As an Alumni Parent, I understand from personal experience that an Academy Hill education is a lasting gift that lives up to its promise. Thank you for recognizing our school and its mission with your generosity.

Sincerely,

Melissa P. Earls
Head of School
